

## New KleverKey Controller C3

Innovation in hardware which allows users to open doors with either the KleverKey Mobile App, smartcards or even the cloud. Just add power and WiFi - that's it.

- ✓ Works with App, smartcard or remotely
- ✓ WiFi connection to KleverKey cloud
- ✓ 13.56 MHz RFID, NFC, HCE
- ✓ Bluetooth LE
- ✓ Radio-link to compatible door locks
- ✓ RS-485 bus to I/O-Box
